

GOD'S GREAT COMMISSION

PENCAITLAND PARISH CHURCH

Church Family service: every Sunday at 10:45am – all welcome

All Christians have a responsibility towards the fulfilment of the Great Commission.

For most of us, this doesn't mean serving overseas as missionaries. But we all have a responsibility to support this work, from home, and to welcome those from other countries that God has brought to our shores. Today, migrating peoples are scattering all over the world as never before and we need to recognise God's purposes in that.

So please pray that, in Pencaitland, we would broaden our horizons and catch the vision of God's global cause. Pray that we will find ways to contribute, perhaps through partnerships and collaboration with other Churches locally and globally.

Pray that we would respond, faithfully, to the His call.
