Church Family service: every Sunday at 10:45am — all welcome

We're delighted to pray for anyone who wishes it. Confidentiality is assured if that's what you prefer. Just let us know a few details about what the issue is so that we know how to pray into the situation. Prayer request slips are available on the pews and, once completed, can be left in the prayer box at the back of the Church. Please do let us know if we can support you prayerfully.

We also pray for people, in person, after our Sunday service - sometimes informally in the Carriage House while we're having tea and coffee. This is particularly appreciated by people who have illnesses of one kind or another who are seeking healing. In this case, it's helpful to pray in person as the laying on of hands adds another dimension to the prayer. Praying together also helps to strengthen the fellowship between us.

If you'd like to be prayed for after the service, you can ask anybody you feel drawn to ask but if it helps to have a named person please speak to **Shona Yule**, one of our Prayer Co-ordinators, pictured on the right.

**Pencaitland Parish Church
(Church of Scotland)
is a registered Scottish charity
